Abdullah Bin Hamad Al-Attiyah

Deputy Premier
Minister of Energy and Industry
Qatar Petroleum Chairman and
Managing Director
Chairman of the Higher Organising
Committee for the 20th World
Petroleum Congress

Dear Industry Professional,

It has taken 74 years for the largest petroleum congress in the world to come to the largest oil and gas producing region in the world: the Middle East. On behalf of my esteemed neighbours, I am extremely proud that the State of Qatar has the honour of hosting the 20th World Petroleum Congress, in December 2011.

Dr Randy G. Gossen

President of the World Petroleum Council

We are delighted that our 20th World Petroleum Congress, to be held in Doha, Qatar, will be a historical milestone, as it will be the first Congress to take place in the Middle East. We are confident that our hosts, the Qatari National Committee of the World Petroleum Council and our expert committees will deliver an outstanding event.

We are privileged to be hosted by Qatar, a dynamic environment and a country whose importance in the global oil and gas industry is now so significant. At the World Petroleum Council we are committed to supporting the

The theme of the Congress – Energy Solutions for All: Promoting Cooperation, Innovation and Investment.
